The network is denser on the right side and fades towards the left. In the center, the letters 'XK' are rendered in a large, white, stylized font. Below the 'XK', the text 'KRYZA.10' is written in a smaller, white, serif font.

WITH NO RESERVATION: 3% credit without commitment is granted to all KRN token holders.

What exactly does this mean?

For all transactions that are: purchases, exchanges or transfers between accounts, you are entitled to a 3% reward in proportion to the number of tokens you hold!

You don't have to do anything, there is no obligation here.

So, as long as you have KRN tokens in your wallet, you are eligible to these rewards.

IN CASE OF A RESERVATION:

For those who are not satisfied with 3% per transaction, this is for you!

In case of a commitment, from 25.07.2021, you will be eligible for the following rewards:

If you are willing to lock in your KRN tokens for 3, 6 or 12 months, we will reward you accordingly.

For 3 months, we will credit you + 1%, so you will get 3%+1% of your redemption reward on your tokens, not just 3.

(so 4% in total for all transactions)

For 6 months of commitment + 2% reward, so you will get 3%+2% of your redemption reward on your tokens instead of 3.

(so 5% in total for all transactions)

For 12 months of commitment + 3% reward, so you will get 3%+3% of your redemption reward on your tokens instead of 3.

(so 6% in total for all transactions)

VIP System 3/2

IMPORTANT

The locked tokens are unbreakable, so if you pledge for e.g. 3 months, you can't get them for 3 months as they will be time locked!

ADVERTISEMENT 21 Q4

The extra reward for ads will be activated for everyone who has locked in KRN when our app goes live along with the downloadable KRYZA Network platform for desktops.

The reward is the following:

(includes automatic 3% + % per bond + % per ad)

For a 3 month commitment + 1% reward will be credited on the net amount of the advertisements, so you will not only get 4% but 4%+1% reward on your tokens. (so 5% in total for all transactions)

For a 6 month commitment + 2% reward will be credited on the net amount of the advertisements, so you will get 5%+2% reward on your tokens instead of 5%. (so 7% in total on all transactions)

For a 12-month commitment + 3% reward on the net amount of ad revenue, so you will get 6%+3% of your rewards on your tokens instead of 6%. (so 9% in total on all transactions)

VIP System 3/3

EXCHANGE 22 Q1

When KRYZA Exchange goes live, the extra reward for trades will be activated for everyone who has KRN tokens committed!

The reward is the following:

(includes automatic 3% + % per bond + % per ad and + % per bill)

For a 6 month commitment + 2% will be credited on the net amount of the advertisements, so instead of 7%, you will receive 7%+2% of your rewards on your tokens. (so 9% in total on all transactions)

For a 12-month commitment, we will credit + 3% on the net amount of the ad revenue, so you will get 9%+3% of your rewards on your tokens instead of 9%. (so 12% in total on all transactions)
